PROSPECTUS

FOR INCREASING THE CIRCULATION OF The Plymouth Banner.

Having completed one volume of the BANNER with but very little if any pecuniary benefit, yet we are willing to rely upon the citizens of Marshall and the adjoining counties for an increased liberality and patronage in commencing a second volume. At our commencement in a county so young and sparsely populated, the permanent establishment of a respectable newspaper at this place, was looked upon by many, as rather a hazard- ous and doubtful undertaking; but that generous feeling heretofore manifested, and that liberal hand heretofore ex- tended by those who have thus far been our patrons—together with an increase in proportion to the increase of popula- tion, may fix the fact, that the Ply- outh Banner is permanently located amongst you. We need, and should have additional patronage to enable the establishment to remunerate us for the time and labor nec- essarily employed in making the paper interesting and worthy of patronage, and creditable to the town and county in which it is published. Shall we have it? If each of our present subscribers would procure an additional one, (and we have not one on our list who has not sufficient influence to do it,) we should feel amply encouraged to do the work assigned us, until our town shall number its thou- sands, and our county its tens of thou- sands of inhabitants. We think our re- quest is not an unreasonable one. Shall it be granted? It remains for our fellow- citizens to determine.

It never has been, nor shall it hereaf- ter be our aim to make the Banner a strictly political paper—but a home newspaper—a family fireside companion—also interesting and beneficial to the farmer and mechanic, the merchant and professional man—the old and the young, and protecting the interests and defend- ing the rights of all. A description of the size and mechan- ical appearance of the paper, can be more satisfactorily ascertained by the examina- tion of a copy. Terms as heretofore: If paid in advance, \$1 50 At the end of six months, 2 00 If delayed until the end of the year, 3 00 RICHARD CORBALEY.

THE TABLE, will be supplied in a manner not surpassed in Northern Indiana. The Stable will be con- stantly supplied with all the different variety of hay, and grain to be found in this County. In short they trust to make it what it pur- ports to be—a Home for all, who may favor them with their patronage. G. P. CHERRY & SON, Plymouth Feb. 21, 1853. 512-41f.

MELANCHOLY NEWS!! It may be, to learn that Humphrey must die but at the same time the grief is softened by the consciousness that he died easy. J. BROWNLEE & CO have possessed themselves of that invaluable secret, that enables them to kill Humbugs wherever they show themselves, but for the present they only let their specific opera- tions extend far enough to benefit the people of Marshall and the adjoining Counties.

NEW GOODS are advertised on every corner, for sale cheap- er than they can be bought anywhere in the world, &c. NO CREDIT, States every man in the face as well as prom- ises to buy everything at the "highest prices." These things are Humbugs, and "Head-Quar- ters" as well as the "Regulator" are the chief of these noisy parades of show, without reality. J. BROWNLEE & CO are once more at home, and have a Reality to offer you and no Humbug. They have a large assortment of Dry Goods, Groceries, Hardware, Straw Goods, Boots, Shoes, Leather, glass and queens ware, and every style of goods kept in stock for this market, from the highest and costliest that are ever called for, to the most common and cheap that can be used.— They were bought for part cash, and part on credit, at the most favorable prices to be had in eastern markets. (It's all gammon for any man here to tell you he bought for cash prices, for no man here buys for cash alone.) We expect to make a living by our business, and we charge a profit on our goods; but we only charge in proportion to their real value and cost. We will sell you cheap, at steady and fair prices, and not make your eye water with one price at less than cost, and then "set you to peck" on something else. We have dealt with you 7 or 8 years—have kept good goods and sold at fair rates. We don't intend to break down, and therefore can't sell cheaper than we buy, and don't pretend to do business in competition with men who do, but we will give you every cent the market will warrant for all of your produce, and sell you goods as cheap as we can and live. We'll deal honest- ly by you, and don't expect to get rich off of you, but hope to make money by long and steady perseverance, as every man should, and gain it by little.

Come and see us, Bring your families who want to trade, send your neighbors, and bring on your produce for exchange. We are selling for some kind, and don't expect to credit much, but will accommodate when we can. We have told you the plain truth, you know it, now come along and see if you are not satisfied to trade with your sincere friends. J. BROWNLEE & Co, Plymouth, Sept. 21st, 1852.

California Excitement!! I think I can find out the right kind of teams for a trip of that kind—any person wishing to engage a passage or want any further information, can address to the undersigned soon at his residence in Roches- ter Fulton County Ind. JOHN DOUGLASS, No 44—3w.
